

RENANA SAMUELOV – JINDI

ASSOCIATE, URBAN PLANNING DEPARTMENT MANAGER

Education

B.Sc. from The Hebrew University, Geography and Islamic Studies (1996)

MA from The Hebrew University, Geography and Urban and Regional Planning (1999)

Key Data

Renana joined MOORE Architects in 2004. Has 18 years experience in urban planning. Renana independently manages the urban planning team in the office that simultaneously handles about 70 UBPs in various stages of progress. Renana is responsible for promotion and management of UBP on all levels and in every sphere of planning, from data processing to prepare the plan to preparation of the plan documents, coordination of planning with various parties, appearances before the Planning Committee to final approval of the plan. Simultaneous with the work on the plan, the client is given advice on the recommended manner and tactics that should be adopted to achieve optimal results.
